

Anna Grishchenkova

Arbitrator

Nationality: Russian, Israel

Languages: Russian & English (fluent) German (conversational)

Anna Grishchenkova has over twenty years of international dispute resolution experience.

Anna has been involved in multiple arbitrations both domestically and internationally as arbitrator and expert, and previously as counsel. She has sat in arbitrations administered by the LCIA, ICAC (MKAS), IAC (Belarus), Arbitration centre at Russian chamber of entrepreneurs and the Russian Arbitration Centre.

Anna is a specialist in commercial and corporate disputes and has a particular focus on matters in the construction, energy and infrastructure sector.

Anna is a member of the Chartered Institute of Arbitrators (CI Arb) and has been recognised in international arbitration by leading directories including, Chambers Europe, Chambers Global, Legal 500 EMEA, and Best Lawyers where they have described her as a professional with a “*sound knowledge of law.*”

Sector Expertise

- Commercial Dispute Resolution
- Construction, Engineering & Infrastructure
- Energy & Natural Resources
- Corporate Disputes

Commercial Dispute Resolution

Anna has considerable experience in commercial disputes across a range of industry sectors, including energy, oil & gas, aviation, transit, construction, joint ventures, industrial chemicals, financial services, retail, insurance, sale of goods, and commercial agency.

Construction, Engineering & Infrastructure

Arbitrator

Anna has experience in disputes involving construction of pipelines, wells, energy facilities, maritime vessels, residential objects and complex industrial facilities. She has experience dealing with issues of delay, disruption, prolongation, extension of time, additional works, as-build documentation, defects in construction, guarantee retentions, performance bonds, advance payment bonds, compensation of damages, liquidated damages, penalties, misrepresentation and negligence. Anna has represented clients in construction-related disputes in major arbitral institutions, including ICC, SCC, IAC, ICAC, VIAC.

Energy & Natural Resources

Anna has handled several large disputes in this sector including a multi-million dispute between energy provider with a contractor under a gas pipeline construction contract (2 bln Russian rubles), multi-million dispute of a subsidiary of a mid-eastern petroleum company over the construction of oil wells (32 mln USD).

Anna has acted as counsel, arbitrator and expert in energy-related disputes covering the following matters:

- exploration and drilling;
- transportation and trading;
- energy transit;
- supply and marketing;
- infrastructure for oil and gas projects;
- insurance disputes arising out of incidents in energy facilities.

Corporate Disputes

Anna has experience in shareholders disputes arising from corporate conflicts, hostile takeovers, misrepresentation rendered during mergers and acquisitions, post M &A disputes, disputes involving minority shareholders and breach of shareholders' agreements.
